

Equal Opportunities Policy

1. Aims and Objectives

- 1.1 We do not discriminate against anyone, be they staff or student, on the grounds of their sex, race, colour, religion, nationality, ethnic or national origins. This is in line with the 2001 Race Relations Act and covers both direct and indirect discrimination.
- 1.2 We promote the principles of fairness and justice for all through the education that we provide in our school.
- 1.3 We ensure that all students have equal access to the full range of educational opportunities provided by the school.
- 1.4 We constantly strive to remove any forms of indirect discrimination that may form barriers to learning.
- 1.5 We ensure that all recruitment, employment, promotion and training systems are fair to all, and provide opportunities for everyone to achieve.
- 1.6 We challenge stereotyping and prejudice whenever it occurs.
- 1.7 We celebrate the cultural diversity of our community and show respect for all minority groups.
- 1.8 We are aware that prejudice and stereotyping is caused by low self-image and ignorance. Through positive educational experiences and support for each individual's point of view, we aim to promote positive social attitudes and respect for all.

2. Anti-racism

- 2.1 It is the right of all students to receive the best education the school can provide, with access to all educational activities organised by the school. We do not tolerate any forms of racism or racist behaviour. Should a racist incident occur, we would act immediately to prevent any repetition of the incident.
- 2.2 We endeavour to make our school welcoming to all minority groups. So, for example, we will immediately remove any offensive graffiti that we may find in school. We promote an understanding of different cultures through the topics studied by the students, and we reflect this in the displays of work shown around the school.
- 2.3 Our curriculum reflects the attitudes, values and respect that we have for minority ethnic group
