

School Closure Policy

This decision will be taken by the Executive Headteacher based on staffing and weather forecasts. The health and safety of pupils and staff must be the main consideration in any such decision of school closure, regardless of the circumstance for the closure.

If the school is forced to close before or during the normal working day the adjoining homes will be advised by telephone and the children will either remain or be taken back to the home.

School Staff will be directed by the Headteacher.

If the cause of the closure occurs overnight and is the result of adverse weather or other failure the following means of communication will be used:

Email and a telephone message from Headteacher.

On a forced school closure, the following will apply:

- All pupils return home and are the responsibility of therapeutic parents.
- No formal education for the duration of the closure.
- Education staff that are available provide support in the home if required.
