

Careers Education Policy

Introduction

Woodlands School provides pupils with a structured program of careers education in line with the needs the age group. Key Stage 3 pupils have access to accurate, up-to-date careers guidance that is presented in an impartial manner; enables them to make informed choices about a broad range of career options; and helps to encourage them to fulfil their potential.

Commitment

This policy embodies the commitment by Woodlands School to provide pupils with high quality and equal access to programme of careers education for all pupils from year 7 to 9.

The careers education programme is continually reviewed, evaluated and developed in accordance with the principles of the non statutory National Framework for Impartial Careers Guidance and delivered through curriculum, tutorial and extra curriculum strand activity.

Continuous improvement and development

This policy was reviewed as part of the continuous improvement and development plan following a whole-school audit of careers education, information, advice and guidance. Careers education is continually updated and reviewed to respond to changes in government, legal and policy to ensure the provision is fit for purpose. This policy will be reviewed annually through consultation with the Woodlands School community, pupils, parents, board members, and other external partners.

Policy links

This policy supports and is underpinned by key school policies including those for teaching and learning, assessment, recording and reporting achievement, PSHCE, equal opportunities and diversity, health and safety, child protection, gifted and talented and special needs.

Aims

The overall aim of the programme is to help pupils towards:

Self-development – to understand themselves and recognise and develop their capabilities.

Career Exploration – to recognise impartial information and be effective researchers to investigate learning and career opportunities open to them. To understand importance of the changing job and skills patterns (supply and demand) to prepare them for the 21st century workplace.

Career management – to make, review and adjust learning and career plans to manage change and transitions

Resources

Funding is allocated to replenish, update and develop careers resources to ensure pupils access quality and up to date information and resources. PSHCE schemes of work refer to world of work (including professional, technical, skilled and semi-skilled career possibilities); CV writing, job hunting skills, writing applications.

The pupils will also go on annual trips to the 'World Skills' careers exhibition in Birmingham as part of the careers provision.

Leadership

The Head of Education and Executive Headteachers are assigned accountability for careers education strategy and review.

Quality and assessment

The provision is quality assured and assessed through a number of methods:

- Self evaluation form – Framework for Inspection (Ofsted)

Policy review

This policy document will be reviewed by the Head of Education and Executive Headteacher on an annual basis to ensure it is up to date with current legislation and best practice.
